

### **Remarks**

This Amendment is filed in reply to the Notice of Allowance issued May 29, 2009. The Applicant has amended claims 1, 3, 4, 12, 17-20, 23, 24, 48, 53, 55, 58 and 60 and added new claims 61-63. No new matter has been added.

The applicant thanks the Examiner for the courtesy extended during the telephonic interview conducted on June 1, 2009. In the Notice of Allowance the Examiner indicated that independent claims 11, 19 and 24 were allowed over the art of record because the art of record failed to teach or suggest, alone or in combination with one another, the feature of “receiving acceptance criteria for clinical trials and a series of questions targeted to at least one specific clinical trial at a server, wherein the acceptance criteria for clinical trials and the series of questions targeted to at least one specific clinical trial are provided over the Internet by a system of a clinical trial sponsor or investigator.” The Applicant has amended independent claims 1, 19 and 24 to modify the feature associated with provided contact information. Since the amendments to claims 1, 19, and 24 in no way modify the feature on which these claims were allowed, the applicants believe that amended claims 1, 19 and 24 remain in condition for allowance and issuance of a Notice of Allowance for these claims is respectfully requested.

The Applicant has also added new claims 61-63, which are substantially similar to allowed claims 1, 19, and 24. Claims 61-63 each recite the limitation of receiving acceptance criteria for clinical trials and a series of questions targeted to at least one specific clinical trial at a server, wherein the acceptance criteria for clinical trials and the series of questions targeted to at least one specific clinical trial are provided over the Internet by a system of a clinical trial sponsor or investigator. Accordingly, each of the

claims now pending in this application is believed to be in form for allowance.

Accordingly, favorable reconsideration of this case and early issuance of the Notice of Allowance is respectfully requested.

The Commissioner is hereby authorized to charge any insufficient fees or credit any overpayment associated with this application to Deposit Account No. 50-4545 (5322-002-US01)

In view of the foregoing, all of the Examiner's rejections to the claims are believed to be overcome. The Applicants respectfully request reconsideration and issuance of a Notice of Allowance for all the claims remaining in the application. Should the Examiner feel further communication would facilitate prosecution, he is urged to call the undersigned at the phone number provided below.

Respectfully Submitted,

/Chadwick A. Jackson/
